## PERSONAL PROFILE

---

I am a hardworking, committed and reliable person with a passion for design that has followed me through my teenage years in to adult life. Constantly chasing perfection allows me to make sure that I will not rest until the quality of my work is to the best of my ability and beyond. Currently studying for a BA in Digital Media Design, I aim to launch myself in to the industry using my skills in digital media.

## RELEVANT SKILLS

---

- Wide range of software & language skills including Photoshop, After Effects, Premier, Final Cut, HTML and CSS
- Punctual with the determination to meet deadlines
- Keen critical and analytical eye for problem solving and improving work through criticism
- Strong sense of organization to streamline workflow and improve productivity
- Work well within a group, providing support for problem solving and creative solutions

## EDUCATION & QUALIFICATIONS

---

### Sussex Downs College, Lewes: 2006 - 2008

- GCE Advanced Level  
Philosophy, C
- GCE Advanced Subsidiary  
Media Studies, B
- BTEC National Certificate

- Foundation Degree - Digital Media Design  
Distinction ( First equivalent )
- BA (HONS) Top Up - Digital Media Design  
Second (Lower)

## WORK EXPERIENCE

---

### WRVS (Women's Royal Voluntary Service):

November 2004 - March 2007

- **Position:** Meal Delivery Escort (part-time)

I have done both voluntary and paid work for the WRVS as an escort for their meal delivery service. This involved loading meals in to a vehicle delivering them to the elderly sometimes helping them get ready to eat and taught me unique communication skills.

### Kineo: Freelance Contract

August - October 2011

- **Position:** Graphic Artist

Shortly after graduating I joined Kineo as a freelancer to assist their graphics department. My role was to organise and tag their graphics database as well as cut out images for use in e-learning tools they were building. As my first office experience it taught me a lot about working in a team.

## PERSONAL DETAILS

---

**Date of Birth:** 9th October 1989

**Interests:** Graphic Design  
Videogame Development  
Digital Technology  
Typography
